Request to Close Health Savings Account

Complete and return this form to Chase after all outstanding checks written on the Health Savings Account (HSA) have been paid. Once Chase receives your completed form, the account closure process begins, and any HSA checks presented for payment will not be honored. If applicable, be sure to notify your employer to stop all further contributions to your HSA.

If you have opened an HSA Investment Account, you must contact J.P. Morgan Institutional Investments, Inc. (JPMII) at 866-774-7129 to request liquidation of your investments and closure of the Investment Account prior to returning this form. If your HSA Investment Account has a zero balance, you hereby instruct JPMII to close the Investment Account. The HSA cash account cannot be closed until the investments have been liquidated.
